Headline:
Another warm night. Hot again Wednesday with risk of thunder.

This Evening and Tonight:
Any daytime showers and clouds clearing during the evening, to leave a dry night with mainly clear skies. Patchy fog is possible for prone areas. Another warm night. Minimum temperature 14 deg C (57 deg F).

Wednesday:
Another fine and dry day with plenty of sunshine. Some clouds expected to bubble up, bringing the odd sharp shower, potentially thundery, during the afternoon and evening. Feeling hot. Maximum temperature 32 deg C (90 deg F).

Outlook for Thursday to Saturday:
Hot, fine and largely dry on Thursday and Friday morning with sunny spells and some isolated showers. Rain, perhaps thundery, arriving later Friday into Saturday. Lower temperatures by Saturday.
